Corporate Risks

You are in good company

Our Corporate Risks team delivers pragmatic solutions to the most complex of risk situations. Our team of experienced insurance professionals will identify the most practical provision for all your insurance needs.

We take the time to understand your business needs and risk exposures and ensure you consistently receive an outstanding level of service specifically tailored to your requirements. We make things easy for you.

As an experienced corporate brokerage we have a wide knowledge of the risks inherent in a diverse number of trade sectors and industries.

"Nothing is too much trouble. KTIB do everything for us in a really helpful, friendly, efficient and cost effective manner"

**Jonathan Wilson, Financial Director,
Delta Simons Environmental
Consultants Ltd**

The team managing your insurance portfolio is made up of a dedicated Account Executive, Broking Technician and Claims Technician. Our Claims Manager and Broking Director are available to provide further expertise whenever needed.

We will build a portfolio to provide protection for your main risk threats including statutory insurances as well as raising awareness of secondary risk exposures.

In order to **mitigate your exposure**, we will work with you to design bespoke risk management plans. In the event of an incident, our award winning claims* unit is experienced in dealing with complex commercial claims.

We are accessible, approachable and avoid technical jargon wherever possible making it easy to understand us.

Choose KTIB with confidence: Our fee charging structures are completely transparent and very competitive.

Our service levels are underpinned by an efficient IT system. This enables us to respond and deliver documentation quickly, accurately and to the high standards our customers consistently enjoy. We aim to resolve any claims quickly and effectively in order to keep your company operating at peak levels of productivity.

"Their in-depth analysis of our broad based insurance portfolio was highly thought provoking - they saved us money too"

Adnams PLC

"They're our local broker who can satisfy our international trading needs"
